Rettelse til Årsafslutning 2014

Som I har konstateret var der en stor rettelse til XML filen til ACF, hvilket har udløst et par u hensigtsmæssigheder, derfor denne rettelse til allerede udsendte Hotfix.

Hvis man danner eFeriekort til en funktionærer der fratræder, vil der ikke være en værdi i felterne Overført ferie fra tidligere år, men da disse nye felter er med i version 1,5 blev de udfyldt med en værdi også når det var eFeriekort til fratrædelse. Dette er rettet.

Der er rettet i forbindelse med udstedelse af rest eFeriekort, så det igen er muligt kun at udskrive filen for den periode der er kørt løn for.
